

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular to encourage:

The development of acquaintance as an opportunity for service

1. High ethical standards in business and professions; the recognition of worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society.
2. The application of the ideal of service in each Rotarian's personal, business and community life.
3. The advancement of international understanding, goodwill and peace through a world fellowship of business and professional persons united in the ideal of service.

### The Four Way Test

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIP?
4. Will it be BENEFICIAL to all concerned?

New RI President William B. Boyd is encouraging Rotarians to *Lead the Way* in the 2006-07 Rotary year, calling his choice for the RI theme "an affirmation of my belief in the power of Rotarians to change the world, one positive act at a time."

Boyd, who is a member of the Rotary Club of Pakuranga, Auckland, New Zealand, stresses sustainability in Rotary projects. "As Rotarians, we understand the truth of the old saying that when you give a person a fish, you feed him for a day; when you teach him to fish, you feed him for a lifetime," he told incoming district governors at the International Assembly in February.

Boyd has selected water as his first emphasis. "Without clean water, little else is possible. If you are thirsty, nothing else matters," he says.

Citing high childhood mortality rates caused by illness and malnutrition, Boyd has chosen health and hunger as his second emphasis. "Without food, there is no health," he says. "And without health, there is no hope."

His third emphasis, literacy, is fitting for Boyd, who used to work in his family's bookstore. He sees literacy as "the escape hatch from the cycle of poverty" and a natural complement to his emphases on water and health and hunger. "Literacy enables communities to take care of their water resources, address their own health and hunger issues, and teach the next generation," he says.

Given Rotary's need to think about the future, Boyd is also emphasizing the family of Rotary, which he says includes Rotaractors, Interactors, Rotary Youth Exchange students, Inner Wheel club members, Rotary Foundation alumni, and Rotarians' families.

"We are the ones who must *Lead the Way*," Boyd told 2006-07 district governors at the International Assembly.

## Last Week at Rotary (Friday 7<sup>th</sup> July)

A special combined meeting at the Thai Nan restaurant (opposite Central) was the changeover and installation night.

The six clubs of Phuket joined forces for this annual event.

The clubs being:- Phuket , Tongkah, Andaman , Patong Beach, Junkseilon and Phuket South.

The evening opened with an “entertainment” item by the rogues of our very own club. This item was performed at the district assembly and was repeated by special request.

I understand rehearsals have been very intense as the words to the New Zealand Haka normally takes years to perfect. However under the guidance of the chief rogue – Michael - the performance was received enthusiastically by all in the restaurant.
